Items that have been confiscated will only be returned only to a parent/guardian. Parents, please note the school is not responsible for any lost, stolen, or confiscated items. ACTIVITY STATUS

1. In order to attain Activity Status, the student must have all passing grades, no unsatisfactory citizenship markings, and have no suspensions or significant behavioral infractions for the quarter.
2. An Activity Status list is generated on a bi-quarterly basis. Students attending assemblies, field trips, dances, basketball games and any additional extracurricular events are required to maintain their Activity Status.
3. Suspensions are effective for all events of the current quarter.

E-MAIL

Teachers may e-mail those parents who provide their e-mail addresses on the CCF-703 form regarding academic and behavioral concerns. Proper etiquette must be maintained when corresponding at all times.

EMERGENCY NUMBERS

The Clark County School District requires all students enrolled to have an up-to-date information form available in case of an emergency. Each year a new CCF-703 form is mailed home to students in their registration packets. The information requested includes address, phone numbers, parents and/or guardians of record as well as emergency contacts. Please be sure to inform the registration office whenever there is a change in pertinent information. The information generates all computer address labels for West Prep. It also affects the administration's ability to reach a parent in case of an emergency. In addition, please make any updates to student contact information via Infinite Campus. For assistance contact the Registrar's Office.

HOMWORK

West Prep administration and faculty will adhere to the Clark County School District's Regulation 6143 pertaining to homework. Homework assignments shall take into consideration the individual needs and academic abilities of the students. Routine work on skills, which have already been mastered, shall be avoided. Homework assignments should generally be an outgrowth of classroom interest and activities. The student should always understand the purpose of the homework assignment and be certain as to what to do or what to look for. Difficult or new work should always be thoroughly taught before home study is given. Homework assignments should be given and, if necessary, started in the classroom under supervision. Homework assignments should be acknowledged and checked and/or graded in a timely manner. Teachers shall insist on high standards of work turned in by students. Accuracy, neatness, legibility, proper arrangement on the page, and correct spelling and punctuation are to be stressed.

REPORTING TO PARENTS

Because reports to parents are useful in improving students' academic and behavior performance, West Prep uses a variety of ways to communicate with parents:

1. **Teacher-initiated calls to parents:** West Prep teachers call parents when students' performance drops or improves dramatically.
2. **Progress Reports:** Progress reports are distributed midway through each nine-week grading period. The progress reports are given to the students who are then expected to deliver them home. The primary purpose of the reports is to notify parents of the academic progress and citizenship of their child and to prevent failure for students who are experiencing difficulty in their classes.
3. **Infinite Campus:** The Infinite Campus Portal, Clark County School District's new web based system, will provide parents with detailed, real-time information, including: schedules, assignments, assessment scores, grades, attendance, graduation progress, academic planner, to do lists, reports, and district and school notices.
4. **Report Cards:** Report cards are issued every nine weeks and are provided to inform parents of their child's progress. Report cards reflect academic grades and citizenship in each class. Report cards are distributed to students during the first three quarters and are mailed to the student's home following the last quarter.

NATIONAL HONOR and NATIONAL JUNIOR HONOR SOCIETY

Students are inducted into the West Prep Chapter of the National Honor and National Junior Honor Society in ceremonies conducted in the spring of each year. Students must satisfy the following criteria in order to be inducted into this prestigious organization:

1. Have earned a minimum cumulative grade point average of 3.5.
2. Received no unsatisfactory progress reports.
3. Demonstrated leadership potential.
4. Completed a written application for candidacy in the organization.

DISCIPLINE / STUDENT EXPECTATIONS

STUDENT EXPECTATIONS

The essence of good discipline is **respect**: respect for authority, respect for others, respect for self, and respect for rules. It's an attitude, which begins at home, is reinforced at school, and applied throughout life. At West Prep, students are expected to be orderly and courteous in the hallways and respectful to one another, the staff, and the faculty itself. This code applies to conduct on school premises, on buses, and at any and all school functions.

To guarantee a good social and educational climate in the classroom and on school grounds, it is expected that students will conduct themselves in a manner that does not interfere with the teachers' right to teach, with the students' right to learn, nor with the safety of the staff and students on campus.

Behavior expectations:

- Follow class and school rules.
- Arrive to class on time.
- Come to class prepared with assignment, books, paper, pen, pencil, binder, and your agenda.
- Wear appropriate clothing.
- Move through the building in an orderly manner.
- Use appropriate language.
- Respect school property and the property of others.
- Be an active participant in class.
- Attempt to do your best in all activities.
- Complete all assignments.
- Demonstrate good decision-making skills.
- Bring signed material from home.

Progressive Discipline Policy:

1. Classroom Consequences

- a. Teacher/student conference, warning, possible teacher detention.
- b. Phone call to parent.
- c. Counselor referral.
- d. Request for parent conference.
- e. Dean's referral.
 - Except for major infractions (listed later), students referred to the dean's office will have been given previous opportunities to correct inappropriate behavior. Steps for correcting such behaviors, prior to referral, are listed above. These interventions and dates will be noted on each Dean's Referral form submitted. Therefore, students referred to the dean should expect strict consequences for inappropriate behavior.

2. Administrative Consequences-depending upon the nature and/or severity of the infraction, and discipline history, any of the following consequences may be assigned:

a. Dean's Detention

- i. Detention will be served after school from 3:30 p.m. to 4:00 p.m. Twenty-four hour notice will be given before a detention must be served. A no-show to detention will result in an In-House Suspension.

b. In-House Suspension

- i. In-House may be assigned for single periods, all day, or successive days, depending upon the infraction. A no-show will result in a re-assignment. Multiple no-shows may result in a Required Parent Conference. School work and support is provided for students while in In-House.

c. Required Parent Conference (RPC) Procedures and Temporary Removal from school

- i. The student is informed of the RPC and signs the RPC form. Parent contact is attempted by the Dean's Office and results are noted on the RPC form. The student is provided a copy of the RPC.
 - Students involved in incidents of fighting or flagrant disrespect will be sent home immediately with automatic short-term temporary removal from school assigned upon parent contact.
- ii. If parent contact by the Dean's Office was unsuccessful, parents should call the school immediately to arrange an appointment to be held within two (2) days. Students should attend the conference with the parents. ***All conferences must be conducted in person with a school administrator. The student is reinstated after the meeting is held, except in such cases where further discipline steps are not enacted.***
- iii. The purpose of the RPC meeting and temporary removal from school is to:
 - Investigate allegations made.
 - Bring parents and administration together to discuss the situation and to provide a forum for resolution.
 - Discuss alternatives for future decision-making on the part of the student. ***If, at the time of the conference, the student is exonerated, the record will be noted.*** When a student is held out of school, make-up work may be requested from the dean's office, and should be completed and returned.

SafeVoice was established by the Nevada Department of Education under SB 212 in 2017 to protect student wellness, prevent violence and save lives.

In partnership with the Nevada Department of Public Safety, the SafeVoice program provides students a safe place to submit tips concerning their own safety or that of others. A fully trained professional team of experts responds in an appropriate manner 24/7/365. Tips always stay anonymous.

LOITERING

West Prep wishes to remain a good neighbor. Therefore, students are not to loiter on properties within a one-block perimeter of the school campus either before or after school. Loitering may lead to an arrest by North Las Vegas Police, Las Vegas Metropolitan Police or School Police officers.

SCHOOL BUS GUIDELINES

Bus service is provided for students who live over two (2) miles from the West Prep campus. In order to provide safety to passengers and effective use of buses, the following rules are established to regulate conduct of school bus passengers.

1. Stand in an orderly, single file line at pick-up points until the bus comes to complete stop.
2. Enter the bus in an orderly fashion and go directly to a seat.
3. All passengers must be seated while the bus is in motion.
4. At your stop, remain in your seat until the bus has fully stopped then enter the aisle and go directly to the front exit door. Loud talking, use of profanity, scuffling, throwing things, smoking, damaging the bus, standing or changing seats are examples of activities that draw the attention of the bus driver from his/her main task of safe operation of the bus. Such action or any other distracting action by the rider creates a safety hazard by demanding unnecessary attention of the driver and are forms of misconduct.
5. When a rider is guilty of misconduct, that rider will be reported to the administration. CCSD's progressive discipline for bus violations will be followed. Misconduct may result in loss of riding privileges.

NON-DISCRIMINATION

In compliance with Title VI of the Civil Rights Act, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1975, the Clark County School District will not knowingly discriminate against any person on the basis of race, creed, color, national or ethnic origin, sex, handicap, or age in admission or access to, or treatment or employment in, or participation in, its programs and activities. The district is an equal opportunity employer and does not knowingly consider for employment any candidates referred by agencies known to discriminate in defiance of civil rights laws.

The principal must approve the sale of any items at school. Banking Protocols must be followed all food items must comply with CCSD guidelines (due to nut allergies, items containing peanuts are not allowed to be sold on campus.)

SOCIAL EVENTS GUIDELINES

Students are reminded that during any event sponsored by the school, or in which the school or members of the school participate (dances, concerts, festivals, field trips, athletics), they are subject to the same rules and regulations that are in effect during the regular school day. Unattended students will be directed to leave the premises by the administration. Students who leave an activity requiring admission at West Prep will not be readmitted.

SPORTS

Extracurricular activities are an integral part of school life and often require as much careful planning and supervision as the academic subjects. However, care must be taken that these activities do not take precedence in importance over the subject matter areas, but remain in the position of supplementing the actual course of study. Students eligible for participation in school sponsored sports and activities must be in compliance with all academic, behavioral, and medical protocols in or to secure participation in the activity. All Clark County School District (CCSD) and Nevada Interscholastic Athletic Association (NIAA) rules and regulations apply. Specific information applicable to students in Magnet/CTA is included in the NIAA Handbook, NAC 386.787.

SCHOOL-SPONSORED ACTIVITIES, FIELD TRIPS, DANCES, SPORTING EVENTS, AND ASSEMBLIES

Students must have clear Activity Status in order to participate in a field trip. Students and parents are notified of status before a student can participate in a field trip, and any baggage may be searched. This is for the protection of all students. The administration reserves the right to DENY the privilege or participation if the student's attendance/conduct has been unsatisfactory.

Unsatisfactory behavior includes, but is not limited to, the following:

Only those students in need of retrieving credits to promote to the next grade level of stay on track to graduate will be invited to the summer program. Students that have repeatedly disrupted classes, endangered the safety of students or staff, or participated in behaviors not pursuant to Clark County School District's Behavior Guidelines for Secondary Students may not be permitted to attend summer school at West Prep. This will be at the discretion of the administration only.

TRUANCY LAW

School attendance is vital to your child's academic success in school. SB269, established a new school attendance requirement for application and maintenance of student learner's permits and driver's licenses. All Nevada schools – including public, charter and private schools – are required to implement this law.

Truancy laws were changed to reduce the high rate of habitual truants in schools. The following are major changes made to the law:

- The principal of the school is required to report the pupils who are habitual truants to law enforcement.
- A truant is a pupil who is absent from school without the written approval of the teacher or principal of the school, unless the pupil is physically or mentally unable to attend school.
- A habitual truant is defined as “a student who has three unapproved absences within one school year.”
- If a pupil is absent due to physical or mental reasons, the parent/guardian must send an absent note to the school within three days of the absence.
- The law provided the court with the authority to order the student or the parent to pay a fine of \$100.00 for habitual truancy. The court can order the suspension of driver's license privileges for students 14 years of age or older if they are habitual truants.
- The law provided the court with the authority to order the student or the parent to pay a fine of \$200.00 for the second or subsequent times the child is found to be a habitual truant. The order can include 10 (ten) hours of community service, and the suspension of the driver's license privileges for 60 days for students 14 years or older.

CODE OF HONOR
NEVADA DEPARTMENT OF EDUCATION

There is a clear expectation that all students will perform academic tasks with honor and integrity, with the support of parents, staff, faculty, administration, and the community. The learning process requires students to think, process, organize and create their own ideas. Throughout this process, students gain knowledge, self-respect, and ownership in the work that they do. These qualities provide a solid foundation for life skills, impacting people positively throughout their lives. Cheating and plagiarism violate the fundamental learning process and compromise personal integrity and one's honor. Students demonstrate academic honesty and integrity by not cheating, plagiarizing or using information unethically in any way.

What is cheating?

Cheating or academic dishonesty can take many forms, but always involves the improper taking of information from and/or giving of information to another student, individual, or other source. Examples of cheating can include, but are not limited to:

- Taking or copying answers on an examination or any other assignment from another student or other source
- Giving answers on an examination or any other assignment to another student
- Copying assignments that are turned in as original work
- Collaborating on exams, assignments, papers, and/or projects without specific teacher permission
- Allowing others to do the research or writing for an assigned paper
- Using unauthorized electronic devices
- Falsifying data or lab results, including changing grades electronically

What is plagiarism?

Plagiarism is a common form of cheating or academic dishonesty in the school setting. It is representing another person's works or ideas as your own without giving credit to the proper source and submitting it for any purpose. Examples of plagiarism can include, but are not limited to:

- Submitting someone else's work, such as published sources in part or whole, as your own without giving credit to the source
- Turning in purchased papers or papers from the Internet written by someone else
- Representing another person's artistic or scholarly works such as musical compositions, computer programs, photographs, drawings, or paintings as your own
- Helping others plagiarize by giving them your work

All stakeholders have a responsibility in maintaining academic honesty. Educators must provide the tools and teach the concepts that afford students the knowledge to understand the characteristics of cheating and plagiarism. Parents must support their students in making good decisions relative to completing coursework assignments and taking exams. Students must produce work that is theirs alone, recognizing the importance of thinking for themselves and learning independently, when that is the nature of the assignment. Adhering to the Code of Honor for the purposes of academic honesty promotes an essential skill that goes beyond the school environment. Honesty and integrity are useful and valuable traits impacting one's life.

Questions or concerns regarding the consequences associated with a violation of the Code of Honor may be directed towards your child's school administration and/or the school district.

CÓDIGO DE HONOR
DEPARTAMENTO DE EDUCACIÓN DEL ESTADO DE NEVADA

Existe la expectativa clara de que todos los estudiantes realicen sus tareas académicas con honor e integridad, con el apoyo de sus padres, el personal, el cuerpo docente, la administración y la comunidad. El proceso de aprendizaje exige que los estudiantes piensen, procesen, organicen y creen sus propias ideas. Durante este proceso los estudiantes obtienen conocimiento, autorespeto y dominio del trabajo que realizan. Estas cualidades proporcionan una base sólida para las destrezas de la vida diaria e impactan positivamente a las personas durante sus vidas. Al copiar y plagiar se viola el proceso básico de aprendizaje y se compromete la integridad personal y el honor del estudiante. Los estudiantes demuestran honestidad e integridad académica al no copiar, no plagiar o no utilizar información de manera deshonestamente.

¿Qué significa copiar?

Copiar o deshonestidad académica puede representarse de varias maneras, pero siempre implica tomar o proporcionar información indebidamente de u a otro estudiante, individual o de otra fuente. Copiar puede incluir, pero no se limita con:

- ◆ Tomar o copiar respuestas de otro estudiante o de otra fuente en un examen o en cualquier otra asignación
- ◆ Dar respuestas a otro estudiante en un examen o en cualquier otra asignación
- ◆ Copiar asignaciones y presentarlas como trabajos originales
- ◆ Colaborar en exámenes, asignaciones, documentos y proyectos sin el permiso específico del maestro
- ◆ Permitir que otros realicen la investigación o escritura de un documento asignado
- ◆ Utilizar aparatos electrónicos no autorizados
- ◆ Falsificar datos o resultados de exámenes, incluyendo el cambio electrónico de notas

¿Qué significa plagiar?

El plagio es una manera común de copiar o incurrir en deshonestidad académica dentro del ambiente escolar. Es presentar y entregar para cualquier propósito los trabajos o ideas de otras personas como propias, sin dar el crédito al creador original.

Plagiar puede incluir, pero no se limita con:

- ◆ Entregar como propio el trabajo de otra persona, como trabajos publicados parcial o totalmente, sin dar el crédito al creador original
- ◆ Entregar documentos comprados o documentos de Internet escritos por otra persona
- ◆ Presentar como propios trabajos artísticos o escolares de otra persona, tales como composiciones musicales, programas de computación, fotografías, dibujos o pinturas
- ◆ Ayudar a otros a plagiar al darles tu trabajo

Todas las partes interesadas tienen la responsabilidad de asegurar la honestidad académica. Los educadores deben proporcionar a los estudiantes las herramientas y los conceptos que les permitan entender las características de copiar y plagiar. Los padres deben apoyar a los estudiantes a tomar buenas decisiones concernientes a completar las tareas escolares y tomar los exámenes. Cuando la naturaleza de la tarea lo amerite, los estudiantes deben realizar su trabajo solos, reconociendo la importancia de pensar por sí mismos y del aprendizaje individual. Al cumplir con el Código de honor para propósitos de honestidad académica se promueve una destreza fundamental que va más allá del ambiente escolar. La honestidad y la integridad son valores que impactan la vida de cada persona.

Las preguntas o comentarios relacionados con las consecuencias de una violación al Código de honor, pueden dirigirlos a la administración de la escuela de su hijo y al distrito escolar.
